Re: USAC Funding Commitment Decision Letter dated 1/8/2014
Administrator's Decision on Appeal dated April 4, 2014
Lunch Codes 2013-14

To whom it may concern

This letter is to appeal the Universal Service Administrative Company (USAC)'s rejection of our appeal to have the discount rate increased from 20% to 60% for the College Preparatory Academy of the Treasure Coast (FCC Registration number 0022449029)

The appeal letter sent to USAC on March 19, 2014 included a lunch coding list (attached) that showed that 49.8% of the student body were receiving free/reduced lunches. Since the school is in an urban location, the school should be given a 60% discount.

USAC has denied our request because the appeal to them arrived after their deadline. We believe that the appeal should have been considered because of the lack of time to appeal due to the winter holidays and pressing work preparing the 2014-15 e-rate submissions.

Based on the school having 49.8% of the students on free/reduced lunches, we request that you direct USAC to grant the College Preparatory Academy of the Treasure Coast (USAC billed entity number 16072640) a 60% discount rate.

OBLIGATION TO PAY NON-DISCOUNT PORTION

Applicants are required to pay the non-discount portion of the cost of the products and/or services to their service provider(s). Service providers are required to bill applicants for the non-discount portion. The FCC stated that requiring applicants to pay their share ensures efficiency and accountability in the program. If USAC is being billed via the FCC Form 474, the service provider must bill the applicant at the same time it bills USAC. If USAC is being billed via the FCC Form 472, the applicant pays the service provider in full (the non-discount plus discount portion) and then seeks reimbursement from USAC. If you are using a trade-in as part of your non-discount portion, please refer to Disposal or Trade-in of Equipment posted in the Reference Area of our website for more information.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the

amount of funds collected from contributing telecommunications companies.
